

ONE DAY AWARENESS WORKSHOP

Endorsed Training
Provider[®]

SMALL & MEDIUM SIZED MANUFACTURING

The consequences of poor industrial safety practices can result in serious injury, increased absenteeism, sick days and even death. An organisation can minimise the risk of accidents and incidents occurring by implementing appropriate safe working procedures.

We are presenting a one day informal workshop aimed specifically at small and medium sized businesses .

- What you will gain from the workshop:**
- A knowledge of the relevant legislation
 - How to comply with the relevant safety regulations
 - The purpose of risk assessment
 - How to compile a safety policy
 - How to develop safe working methods

Candidates are encouraged to ask questions throughout the workshop about any specific issues of concern.

Places are limited. To apply please see reverse for application form and further information.

- Key Topics Covered**
- *Risk Assessment*
 - *Slips, Trips and Falls*
 - *Hazardous Substances*
 - *Work Equipment Safety*
 - *Electrical Hazards*
 - *Fire*
 - *Manual Handling*
 - *Personal Protective Equipment*

Fountain Safety Solutions Ltd. is a health and safety training and consultancy based in North East England. We are specialists in workplace safety and the safety of workplace equipment. Competitively priced, we provide training and consultancy in many aspects of health and safety.

We are an Endorsed Training Provider of the Institution of Engineering and Technology (IET), one of the world's largest professional societies for the scientific and engineering professions. Our courses are subject to the IET's Quality Assessment Process.

We deliver training courses in purpose built facilities in South Shields. Alternatively, we can deliver training at your site where training courses can be tailored to meet your exact needs.

We are holding this workshop at TEDCO Business Works, South Shields. Tyne & Wear. The venue has ample free parking and is only 5 minutes walk from South Shields Metro station which connects to mainline rail services and Newcastle Airport.

At £85+VAT per person, the workshop fee includes course materials, buffet lunch and refreshments. A CD WITH BLANK TEMPLATES IN MICROSOFT WORD IS ALSO INCLUDED IN THE PACKAGE.

COURSE DATE 4TH NOVEMBER 2008.

To reserve your place, please complete this form and fax it to 0191 427 4579

Alternatively, either call us on 0191 4274581, or e-mail: info@fountainsafety.com, or post it to the address shown at the bottom of this page.
